

over 100 years of innovation

LK500Ri ↓ recumbent

The LK500Ri recumbent will set a new standard for light commercially rated equipment. It incorporates innovative features from our previous award winning models, packed into a commercial grade design. With commercial quality and Bluetooth enabled i.Concept technology, the LK500Ri is perfect in any environment.

- ↘ i.Concept console allows you to use your tablet or smart phone to seamlessly interface with the equipment via Bluetooth
- ↘ Easy walk-through design for safe entry and exit
- ↘ 26 Built-in programs and 24 levels of electronically controlled resistance with additional program profiles available through downloadable apps
- ↘ Comfortable reclining seat back provides a custom fit for all users
- ↘ Convenient fingertip resistance controls allow for quick adjustments without losing focus on your workout
- ↘ Polar® wireless HR compatible. Use a Polar heart rate chest strap to readout your HR on the display console or interact with built-in HR control programming
