

UNDERSTANDING

2nd GRADE RUBBER MATS

CRUMBLING

Mats could have edges that are grainy or crumbly. Crumbling and Tearing will be present in less than 30% of the mat.

DOUBLE STAMPING

Double imprint or continuous stamping throughout the mat.

TEARING

Corners may have tears. Internal tears will not run the length of the mat. Most tears will be less than 8".

BUBBLING

Raised bubbles will be less than 5" in length or diameter.
