FB300B
Fan Bike

LCD Display Console

Straight forward LCD display console with only the key essentials for the FB300B. Quick programing buttons let you scroll between Heart Rate, Speed, RPM, Time, Watts and Calories. The console also features a convenient shelf that is ideal for your smart phone or a similar device.

FB300B
Fan Bike

The Endurance FB300B Dual Action Fan Bike is suitable for a variety of fitness levels from the novice to expert rider, for rehabilitation and for high intensity workouts. It is fully adjustable; the seat adjusts forward and back as well as vertically providing a comfortable fit for virtually any size user. The convenient transport wheels make moving the FB300B out of the way for storage or cleaning easy. The Endurance FB300B is backed by a commercial warranty and is one robust bike that will endure for many years.
