

CLUB TV SYSTEMS

THE INDUSTRY'S LEADING FITNESS ENTERTAINMENT COMPANY

NEW MYE CLUB TV DIGITAL TRANSMITTER. THE CLEAR ADVANTAGE OF DIGITAL AUDIO INPUT.

The new MYE Club TV Digital Transmitter delivers exceptional value with exclusive features including digital audio input, multi-transmitter combiner and the industry's longest warranty. Consider the facts and trust the clear advantage of MYE product performance and technological leadership. **Exclusive MYE Club TV Digital Transmitter Features:**

- **Save up to \$100 on Each Transmitter:**
New MYE Digital Audio Input Transmitter eliminates the cost of digital converters required when connecting to new digital TVs without standard analog audio jacks.
- **Simple Replacement and Install:**
Transmitter includes MYE, Cardio Theater and BroadcastVision transmitter channels for easy replacement or the installation of additional transmitters on existing wireless systems.
- **Works with All TV Receivers:**
From MYE, Cardio Theater and BroadcastVision plus the integrated TV receivers on select cardio machines from Cybex, Life Fitness, Matrix, Octane, Precor, Star Trac, True and others.
- **Multi-Transmitter Combiner:**
Provides simple solution for combining multiple transmitters on a single antenna for satellite or cable boxes installed away from your cardio area TVs.
- **Standard Analog Audio Input:**
For traditional TVs with analog audio outputs.
- **4-Year Warranty:**
Absolutely the best warranty in the industry.
