The CR800ENT Semi-Recumbent Bike is the perfect bike for the commercial environment. Designed on the solid CR800 platform, the CR800ENT incorporates touchscreen technology on a large 10.1" ENTERTAINMENT display. TV, web browsing, and music streaming are all made possible within a user interface that is easy to use and adaptable to nearly any facility. The step-thru design makes it easy for your clients to get on the bike, and the easy-adjust seat allows them to find the most comfortable position.

FEATURES

- Large 10.1" touchscreen with TV, web browsing, and music streaming
- 3 different workout display modes give users a variety of workout feedback
- Contact & Telemetric heart rate capabilities to make the workout more effective
- Oversized foot pedals with fast latching system
- High density foam pads for extra comfort during a long ride
- 40 levels of resistance to satisfy the needs of beginners or advanced exercisers

CONSOLE FEATURES

The CE800ENT features a modern 10.1" touchscreen display and electronics package that allows your clients to watch TV, browse the web, and stream their favorite music. Preset programs include a wide variety of popular workouts for the average user while a Gerkin Protocol Fitness Test, heart rate programs and a custom program are available for more serious users. Ergonomically friendly pulse grip handles are mounted comfortably on each side of the seat for a more natural hand position while a Turbo cooling fan keeps your clients cool to encourage them to workout longer.
